

The Greater Hunt County Soccer Association administered by the YMCA

Proudly presents field sponsorships

Thank you for your interest in sponsoring a soccer field for 2009-2010. This program began last year and turned out to be a huge success. Field Sponsorship flags make it easy for players, coaches, family, & friends to find their field with ease while giving brand recognition to the sponsors at the same time. During our regular season last year the sponsor signs were viewed every weekend by the loved ones of over 300 YMCA players plus families of visiting teams from Rockwall, Royse City, Rowlett, Terrell, Seagoville, and many other locations. Sign recognition was also given to sponsors at the major Quickfoot Tournament that was hosted in Greenville and during the Soccer FunFest via 93.5 FM radio.

Sponsorship opportunities are now available for the 2009-2010 field sponsors. For the cost of the sponsorship, the sponsor will be given a designated field which will be identified with a field banner that is approximately 2' wide X 8' tall. In addition to the banner, the sponsors' names will also be used on all schedules and field maps distributed. Examples can be seen below. Sponsors will also receive recognition on the YMCA soccer website with a hyperlink to the sponsor's website. To see website examples, please visit www.greenvillesoccer.org. In addition, the banners will be prominently displayed during a major Quickfoot Soccer Tournament that the YMCA will be hosting in November & the Soccer FunFest that has been tentatively scheduled for October 17th. Returning sponsors also have the first right of refusal for future seasons. The cost of sponsorship will be \$750 for a FULL YEAR sponsorship consisting of the Fall 2009 & Spring 2010 seasons.

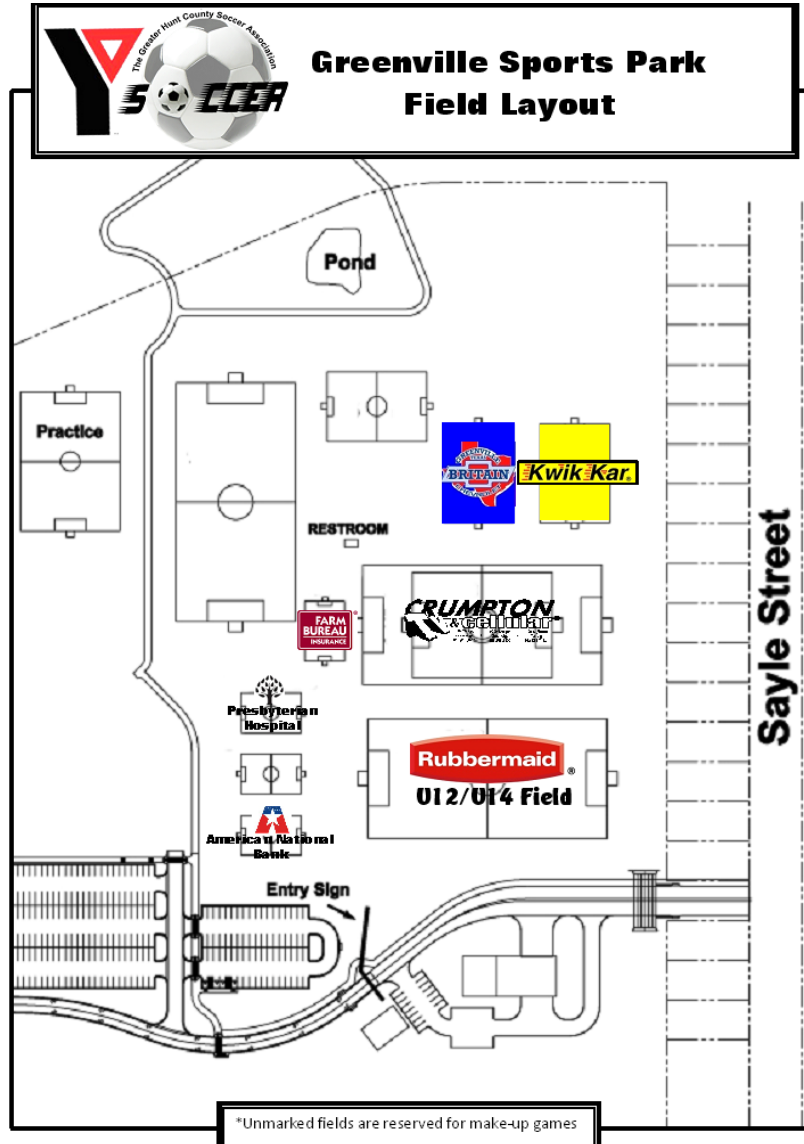

Not only is the sponsorship a great advertising opportunity for your business but it is also considered a charitable donation to the YMCA. To reserve your sponsorship opportunity or to inquire on the availability of fields, please contact Jeana Franklin at the number listed below to ensure that your field is reserved.

Thank you again for your support & we look forward to working with you.

Sincerely,

Jeana Franklin
