Hello Team!!!! It is great to have you on our team this year. This is going to be a great season!!

Below I have listed some important information you might want to know to better prepare us for this season:

- ⚽ We will practice on _____. Practices will be at the _____ weather permitting. Practice times will be from _____ to _____.
- ⚽ We will have 10 games & they are typically on Saturdays. We will have 2 double header days. Schedules are not ready at this time. We will get them to you as soon as they become available but there are a few tentative dates you may want to mark on your calendars.
 - Our first game is Saturday, September 12th
 - No games September 19th due to the Cotton Patch events
 - Picture day is September 26th. (schedule TBA)
 - The Soccer FunFest will be October 17th & this may also be a double header day
 - The last season games will be November 7th & this may also be a double header day
- ⚽ Our colors are _____ this season and our team name is the _____.
- ⚽ We play with a size _____ ball. If your child has a ball please bring it to practice.
- ⚽ Cleats cannot have metal cleats or a toe cleat on the end. (You can modify baseball shoes by cutting off the toe cleat if you want to)
- ⚽ Also please remember to wear shin guards. These are mandatory for games but we would like them worn to practice also. We would not want anyone to get hurt.
- ⚽ Please bring plenty of drinks to practice & games because it gets very hot during the season.
- ⚽ We will contact you if games are cancelled but you can also check game status on the soccer website: <http://www.greenvillesoccer.org> Please check out the website when you get a chance, it has photos & a lot of information you may find valuable throughout the season.
- ⚽ If you are interested in helping with the coaching or helping out on the coaches' sideline during games, we will need for you to go to the YMCA to complete the coaching packet so that you can receive a coaching badge for this year. Everyone on the coaching sideline must have a visible badge. This is to ensure children safety. Thank you for understanding.
- ⚽ If you are interested in being the team communicator, being a team/field sponsor, or helping, sponsoring, or being a vendor for the Soccer FunFest please let me know.
- ⚽ If you have any problems or concerns throughout this season with anything, please feel free to contact us. We welcome your input & help. The coaching contact information is:
